## *Objective*

Experienced Multimedia Designer seeking opportunities for work or Internship to gain experience and help others with their Multimedia needs.

## *Work Experience*

### *Tutor*

#### **College of Marin**

As a tutor I provided help for students I assisted them with technical support. Also I helped them with the software for Multimedia classes. Lastly I helped students by answering their questions for their Multimedia Assignment

### *Teacher Assistant Volunteer*

#### **Marin County Office of Education**

As a teacher's assistant volunteer I provided technology support for staff and students. I advocated for students. I provided tutoring for students. Last of all I helped staff with Zoom.

### *Website Design*

#### **Sage Recruiting & Artic Apples**

For the design projects. I worked on a team remotely. I created website mockups and Automated Social Media for companies based in Canada.

### *Design Intern*

#### **College of Marin Child Study Center**

As a Design intern for College of Marin Child Study Center. I created Illustrations using Procreate and Illustrator. Created Illustrations for Posters, Announcements and Signs. Recreated Graduation Certificate
